MEMORANDUM OF UNDERSTANDING

The Bermuda Monetary Authority (BMA) and the members of the National Association of Insurance Commissioners (NAIC), recognizing the increasing international activity in insurance markets and the corresponding benefits of mutual cooperation between the Authorities, relevant supervisory authorities as a means for improving their effectiveness in administering and enforcing the insurance laws of their respective jurisdictions, have reached the following understanding:

1. DEFINITIONS

For the purposes of this Memorandum of Understanding, the terms set out below have the assigned meanings unless the context requires otherwise:

Authority means:

- The Bermuda Monetary Authority (BMA), an independent statutory authority established under the Bermuda Monetary Authority Act 1968. The BMA has statutory responsibility for the supervision and regulation of financial institutions including insurance companies and insurance intermediaries in Bermuda.
- The National Association of Insurance Commissioners (NAIC), a non-profit Delaware corporation, acting on behalf of its members who are the chief insurance regulators officers in each of the fifty states, the District of Columbia, Columbia, and the U.S. territories.
- The BMA and the NAIC shall be collectively referred to herein as "the Authorities."

Laws, regulations and requirements means the provisions of the laws, or the regulations and requirements enacted in any individual state, District of Columbia and the U.S. territories, for the purpose of regulating the business of insurance, and the Authorities acknowledge that they may only provide information under this Memorandum of Understanding or not prevented under applicable law, regulations and requirements.

2. OBJECTIVES

- 2.1 This Memorandum sets forth the basis upon which the NACI and the BMA, its members, and the BMA propose to provide for mutual assistance, including the exchange of non-confidential information. The purpose of the Memorandum is to provide a framework for co-operation, increased mutual understanding, the exchange of non-confidential information and technical assistance to the extent permitted by laws, regulations and requirements.
- 2.2 As of January 1, 2015 the BMA is recognized by the NAIC as a Qualified Jurisdiction under the NAIC's Credit for Reinsurance Model Law. The Authorities agree to continue to engage in a "dialogue regarding insurance regulatory issues, seek to identify areas for cooperation in international standard setting, and share information on regulatory developments of mutual interest."
- 2.3 The Authorities intend to use their best endeavors to ensure that the fullest mutual assistance is provided within the terms of the Memorandum and engage in consultations, as appropriate, or mutually agreeable, on matters which may affect the integrity and efficiency of their respective insurance markets and the exercise of insurance market supervisory functions within the framework of the Memorandum.
- 2.4 This Memorandum does not modify or supersede any laws, regulations and requirements in force in, or applying to, BMA members of the NAIC, or the jurisdictions in which they are authorized to regulate the business of insurance, and does not create any legally binding obligations on or confer any rights to, the people of Bermuda. This Memorandum is not intended to affect any arrangements under any other Memorandums in existence to which either of the Authorities is a party.

3. SCOPE

- 3.1 The Authorities will attempt to maintain a year annually agreeable location, including the International Association of Insurance Supervisors (IAIS) meetings, to discuss regulatory developments, ways to enhance cooperation in international standard setting and other topics of mutual interest. Additional meetings may be arranged by mutual agreement.
- 3.2 The Authorities, as deemed appropriate by each respective Authority, may provide mutual assistance periodically, such as through:
 - a. participation in internships with specific educational focus;
 - b. educational seminars held in the host country;
 - c. provision of training manuals/material; and
 - d. any other issues of common interest.

- 3.3 The Authorities recognize the need and desirability of providing mutual assistance and exchanging non-confidential information and agreed that the NAIC may provide any such information exchanged between the two Authorities. Each Authority retains the right to deny or refuse assistance for any reason.
- 3.4 The Authorities will bear their own expenses for any costs that may be incurred by the requesting Authority in respect of fulfilling any request made under the Memorandum. However, if the costs of fulfilling any request made are deemed substantial, the responding Authority may, on a case-by-case basis, request that the requesting Authority to bear some or all of such costs.

4. TERMINATION

- 4.1 This Memorandum will continue to be effective until terminated by either of the Authorities by giving 10 days advance written notice to the other Authority.

5. ENTRY INTO EFFECT
