RE: H.R. 4537, the International Insurance Standards Act

Dear Majority Leader McConnell and Minority Leader Sch

Recognition of the U.S. System of Insurance Regulation

One of the most important provisions of H.R. 4537, Section 3(a)(1), would require that federal representatives only agree to international standards or agreements that would recognize the U.S. system of insurance regulation as satisfying such proposals. In so doing, the bill bolsters and complements the

participation in international fora, it is imperative that
