

## Earthquake Insurance Webinar Overview

---

**Date/Time** September 26, 2024 | 2:00PM – 3:00PM CDT

<https://register.gotowebinar.com/register/3464421942538027349>

The purpose of the webinar is to provide insurance producers in earthquake prone areas with information and resources that will assist them in educating consumers about potential risks they face.

**Target Audience** The target audience for the webinar are insurance industry professionals, producers and agents in states most at risk from earthquakes in the central and southeastern U.S.: Alabama, Arkansas, Illinois, Indiana, Kentucky, Mississippi, Missouri, North Carolina, South Carolina, Tennessee, and Virginia.

**Organizers** Central U.S. Earthquake Consortium is a not-for-profit organization that provides information and resources from authoritative sources such as the U.S. Geological Survey,

the unique needs and preferences of clients in this area.

**Presenters** Earthquake Hazards Overview & Resources – CUSEC  
Consumer Research Survey Findings – NAIC / Univ. of Missouri  
Earthquake Insurance Survey for Agents - CREW  
Additional Resources - NAIC & Missouri DCI
