

*This Frequently Asked Questions (FAQ) document is not a formally adopted NAIC document. The document contains questions that have been asked by insurers to NAIC staff. When available, answers are taken directly from the Data Call and Definitions. In instances where the Data Call and Definitions do not provide answers to the specifically asked questions, NAIC staff collaborates with state insurance regulators to ensure the answer is consistent with the intent of the Data Call and Definitions. The FAQ document is not intended to replace the Data Call and Definitions. It should be noted that state insurance regulators have authority to provide state specific clarifications or guidance.*
