FOR INFO

Our DPC filing review falls identified the following:

... handbook 1 healthcare.gov. The link to SERFF on page 9 takes the user to the SQO website. Etc. (This seems to be a problem throughout th

d." We believe it should instead state 0% earned.

- On page 16, there is a text box that states "Jan. 1: First policy is written at new rate level; 9% earne

... 9% earned." associated with the text box should instead be "associated with the 9% earned."
