Jones served the Assembly Champion”b on Law and California R California’s “ American P his work onr

Jones began California (L Fellowship. F General Janet

Jones graduate Government.

**Stacey Jackson**  
General Counsel  
Golden Bear Insurance Company

Stacey Jackson is General Counsel for Golden Bear Insurance Company. She began her legal career as a prosecutor for the San Joaquin County District Attorney's office before becoming a civil litigator. She was partner in the civil defense firm of Thayer, Harty, Gregerson-Hedberg and Jackson and represented insureds throughout California before coming to "the Bear." Jackson represents Golden Bear as an active member of ADIC- Pacific Association of Domestic Insurance Companies.

On point with the coming presentation, Jackson was instrumental in drafting coverage for the Cannabis package policy offered by Golden Bear. It's the first admitted cannabis product in the State of California.

## LEARNING OBJECTIVES

At the completion of this program, attendees will be able to:

- Identify the legal standing of cannabis across states.
- Explain first- and third-party coverage issues and needs.
- Explain the complications of legal uncertainty on workers' compensation.
- Explain the impact of policy exclusions.
- Identify emerging best practices and standards.
- Explain on-site consumption issues and risks.
- Explain the impact of a cash-based business on insurance coverage needs.
- Identify the role of technology in cannabis-related insurance availability.
