(c) Insurer's illustrated scale used but with the non-guaranteed elements reduced as follows:

(i) Dividends at fifty percent (50%) of the dividends contained in the illustrated scale used;

(ii) Non-guaranteed credited interest at rates that are the average of the guaranteed rates and the rates contained in the illustrated scale used; and

(iii) All non-guaranteed charges, including but not limited to, term insurance charges, mortality and expense charges, at rates that are the average of the guaranteed rates and the rates contained in the illustrated scale used.

(2) In addition, if coverage would cease prior to policy maturity or age 100, the year in which coverage ceases shall be identified for each of the three (3) bases.

D. Statements. Statements substantially similar to the following shall be included on the same page as the numeric summary and signed by the applicant, or the policy owner in the case of an illustration provided at time of delivery, as required in this regulation.

(3) Non-guaranteed elements may be shown if described in the contract. In the case of an illustration for a policy on which the insurer intends to credit terminal dividends, they may be shown if the insurer's current practice is to pay terminal dividends. If any non-guaranteed elements are shown they must be shown at the same durations as the corresponding

(h) For flexible premium policies:

If, assuming guaranteed interest, mortality and expense loads, the policy's net cash surrender value will not maintain insurance in force until the end of the next reporting period unless further premium payments are made, a notice to this effect shall be included in the report.

Drafting Note: For states that have adopted the NAIC Universal Life Model Regulation, this paragraph could be replaced with a reference to the equivalent of Section 9 of the model regulation.

(2) For all other policies, where applicable:

(a) Current death benefit;

(b) Annual contract premium;

(c) Current cash surrender value;

(d) Current dividend;

(e) Application of current dividend; and

(f) Amount of outstanding loan.

(3) Insurers writing life insurance policies that do not build nonforfeiture values shall only be required to provide an annual report with respect to these policies for those years when a change has been made to nonguaranteed policy elements by the insurer.

B. If the annual report does not include an in force illustration, it shall contain the following notice displayed prominently: "**IMPORTANT POLICY OWNER NOTICE:** You should consider requesting more detailed information about your policy to understand how it may perform in the future. You should not consider replacement of your policy or make changes in your coverage without requesting a current illustration. You may annually request, without charge, such an illustration by calling [insurer's phone number], writing to [insurer's name] at [insurer's address] or contacting your agent. If you do not receive a current illustration of your policy within 30 days from your request, you should contact your state insurance department." The insurer may vary the sequential order of the methods for obtaining an in force illustration.

C. Upon the request of the policy owner, the insurer shall furnish an in force illustration of current and future benefits and values based on the insurer's present illustrated scale. This illustration shall comply with the requirements of Section 6A, 6B, 7A and 7E. No signature or other acknowledgment
