PROJECT HISTORY – 2023

MORTGAGE GUARANTY INSURANCE MODEL ACT (#630)

1. Description of the Project, Issues Addressed, etc.

The current NAIC Mortgage Guaranty Insurance Model Act (#630) was first adopted in 1976 and amended in 1979. Model #630 was created to provide effective regulation and supervision of mortgage guaranty insurers. Model #630 defines mortgage guaranty insurance as insurance against financial loss by reason of nonpayment of principal, interest, or other sums agreed to be paid on any note secured by a mortgage, deed of trust, or other instrument constituting a lien or charge on real estate. Mortgage guaranty insurance may also cover against financial loss by reason of nonpayment of rent under the terms of a written lease. As of April 2012, eight states had adopted the most recent version of the model in a substantially similar manner. An additional 12 states have adopted an older version of the model, legislation, or regulation derived from other sources such as bulletins and administrative rulings.
