

PROPERTY AND CASUALTY MODEL RATE AND POLICY FORM REGULATION GUIDELINE

What are the state pages?

This chart is intended to provide readers with additional information to more easily access state statutes, regulations, bulletins or administrative rulings related to the NAIC guideline. Such guidance provides readers with a starting point from which they may review how each state has addressed the model and the topic being covered.

How do you use them?

States and territories are listed alphabetically in the chart. Locate the state or territory you are interested in to find a citation; to perform further research, use the citations to locate state laws.

Who do I speak to if I have questions?

If you have questions, please contact the NAIC staff on the provisions of this guideline and should upon as such. Nor does this state page reflect a determination as to whether a state meets any applicable accreditation standards. This chart does not constitute an official NAIC report by the NAIC staff on the provisions of this guideline and should upon as such. Nor does this state page reflect a determination as to whether a state meets any applicable accreditation standards. Readers should make their own determination as to the accuracy of the information provided in this chart.
