The original charge of the Cybersecurity (EX) Working Group, previously known as the Cybersecurity (EX) Task Force was to: review the following models and make recommendations to the Executive (EX) Committee: the NAIC Insurance Information and Privacy Protection Model (#670); the Privacy of Consumer Financial and Health Information Regulation (#672); the Standards for Safeguarding Consumer Information Model Regulation (#673); and the Insurance Fraud Prevention Model (#680).

During the Working Group meeting at the 2016 Spring National Meeting on April 4

After receiving comments on version four of the model, several provisions were redrafted, including the addition of a drafting note to Section 2, stating that the intent of the drafters is that if a licensee is in compliance with the New York regulation,
